Craig Gouker Roofing Bethel Park Showroom Now Open

Craig Gouker Roofing has opened a second roofing showroom in November 2016 at the Millennium Shops at 4607 Library Road in Bethel Park, a few miles south of Pittsburgh, PA.

"We are excited to announce the opening of our second location to better serve our customers", said Craig Gouker. "The second location will allow us to invite homeowners in Bethel Park and the surrounding area to view samples and design their roof and gutter replacement." Rustic industrial décor and comfortable furniture create an enjoyable environment to discuss homeowners' roofing projects.

The Bethel Park showroom features the full line of shingle colors and styles that Craig Gouker Roofing offers. Homeowners will be able to match gutter, trim and siding colors to create their ideal home exterior.

###

Craig Gouker Roofing & Home Improvements, LLC is a residential roofing company specializing in asphalt shingle roof replacements in south and east Pittsburgh, PA for over 25 years. They use the most efficient equipment and materials to save homeowners time and money on their home improvement investment. Craig Gouker Roofing employees are not subcontractors and take pride in their quality craftsmanship. The company is an Owens Corning™ Platinum Preferred Roofing Contractor and Angie's List Super Service Award Winner for 2015, 2014, 2013 and 2011. They maintain an A+ rating with the Better Business Bureau.
